

JUNE 2015

WHY 1 JUNE TO 31 OCTOBER FOR AHS VACCINES

Before you decide to carry on as normal and vaccinate in November/December, read about the risks of doing so, and why DAFF strongly recommends this period for vaccinating. <http://www.equinehealthfund.co.za/News/Vaccinationperiodarticle.aspx>

EHF INTRODUCES THE HORSE IMPORT EXPORT TASK TEAM (HIETT)

Read about the important role that this Team is playing for the good of our horses. <http://www.equinehealthfund.co.za/News/HorseImportExportTaskTeamarticle.aspx>

HOW YOU CAN MAKE A DIFFERENCE IN THE FIGHT AGAINST AHS?
